

# COUNSEL MAKES STIRRING PLEA FOR CARL HOLLENBACHE

## SEEK RETRIAL ON MURDER CHARGE

Judge Armstrong Would Have Manslaughter Verdict

IS OPPOSED BY LIPPINCOTT

Judge Becker Hears Argument—Case Under Advisement

Desire of Carl Hollenbacher, alleged wife murderer, to take with him his divorced wife, Pearl Burgess, into eternity, was set forth as his cause for shooting her in June, 1919, according to arguments of Judge J. A. Armstrong, Hollenbacher's legal counsel, in court Friday.

"He killed her out of love and with no malice," Armstrong said. "It was in connection with a motion for a new trial of the case in which Hollenbacher was convicted of first degree murder in November, 1919, that these arguments were brought out. Judge Becker took the case under advisement."

**HOURS FOR ARGUMENT**

Judge Armstrong took up the entire morning in court, setting forth causes why the verdict of the jury at that time should now be set aside and Hollenbacher be given another trial. Armstrong is seeking to have Hollenbacher convicted of manslaughter only.

He emphasized the fact that such men as N. W. Cunningham, William Mueller, C. C. Williams, W. R. Price and D. H. Counselor were excluded from the jury because they were opposed to capital punishment.

Method of impeaching the jury was also condemned and given as one of the reasons for asking a new trial. He declared the court ordered each man questioned and unless challenged for cause or on pre-emptory charges at once, ruled they must be sworn in. Armstrong said the logical way was to view the 12 men as a whole before making charges and disqualifications.

He condemned calling witnesses employed by the state to give testimony. He cited cases in probate court, where no person employed by the state may testify at an insanity hearing.

"Dr. Clark, superintendent of Lima state hospital, told me he could not pass upon Hollenbacher's case for that reason. I could not summon him nor any of his staff. I aver the state cannot do so either and that such witnesses introduced were incompetent, by their position, to offer testimony," Armstrong argued.

**ATTACHED TESTIMONY**

He also brought out the fact physicians with five years of actual medical service are required where examinations are made for sanity in probate court. "What the law prescribes is brains, not bumps," the attorney contended. He declared the public welfare was not conserved by calling of such witnesses.

Hollenbacher's counsel reviewed his life from the time of his birth to the day of the shooting. At the close he declared that in all the evidence submitted there was not one iota to show that Hollenbacher wished to kill his wife because of hate. "He couldn't hear to see her the wife of another man. Loss of faith in life, with his automobile sold and the proceeds spent, his acetylene shop disposed of and the money gone, his wife even gone by the divorce proceeding and with nothing left him, he was overwhelmed and decided to shift off this mortal

sphere and take her with him. He had no malice in the intention. He loved his wife too well for that," Armstrong stated.

**PRISONER IN COURT**

Hollenbacher was brought into the court room at that time by Sheriff Baxter. Armstrong centered his plea on his condition and said that because of paralysis, which seems to be upon him and the condition of his mind, any day he might commit suicide or become a helpless paralytic. "He is a helpless creature, a good-for-nothing in the eyes of some people maybe, but he is a human being and the best works of life are sometimes done with these human beings," counsel declared.

He set forth exception after exception which he asked Judge Klingler to embody in the general charge, he said, but which were refused. Judge Klingler was in the court room to hear part of the arguments Armstrong used in his endeavor to secure a new trial.

**PROSECUTOR'S STATEMENT**

Prosecuting Attorney Lippincott took but five minutes for his side of the arguments. "Hollenbacher had told Mrs. Harrie Martin, sister of Pearl Burgess, that he had given Pearl about all the rope he intended," Lippincott said. "He told her that unless she would get Pearl back to him by Friday she would be sorry."

"He walked downtown on the morning of the shooting, purchased his revolver and cartridges and walked out to the peaceful Park-ave. home of that family. In the garden of that little home, he interrupted his former wife while at her work to assist her aged mother in the care of the household."

"He asked her to re-marry. She refused. She had tried him. She knew it was useless. And then he shot her. And you would say no malice? I say there was malice; there was premeditation and there was deliberation and if this court will not read the words, there is nothing to show Hollenbacher is entitled to a new trial," Lippincott said.

He declared that not Hollenbacher's interests alone should be considered, but the little girl left motherless by his act and the old mother of Pearl Burgess, robbed of the daughter's help and assistance.

Judge Armstrong made a closing plea for Hollenbacher to be sent to the Lima state hospital. Pointing to him, he closed with these words: "He is a human derelict on the sea of time. From a manly man of 175 pounds, he is emaciated until now he weighs but 115. At the state hospital he can receive treatment. He can assist in tilling the fields and helping in the growth of foodstuffs to take care of those unfortunate there. He can be of some account to his God and his Maker. I beg of you to review the records, see the act was committed with no malice nor intent of malice, and to grant Carl Hollenbacher a new trial, which I have faith to believe this court will do."

It was just 12 o'clock when Judge Becker took the records and said that he would announce his decision within a few days.

**LEGS OF ASSASSINATED PRES. GAMBETTA MISSING**

PARIS.—The question of what has become of the legs of President Gambetta has just been raised by a French weekly, following the ceremony when more than a million persons saw the heart of the assassinated French President conveyed in an urn to the Pantheon, where it is to rest forever.

One of Gambetta's eyes is in the possession of a doctor. His brain and his intestine, perforated by a bullet, are the property of the faculty of medicine, but none of the doctors who assisted at the autopsy and dissection of the body can remember what became of the legs.

## SOUTH HI LOSES TO CLEVELAND

Forest City Five too Fast for Local Team

SPENCERVILLE IS BEATEN

Canton Will Be Contender in B. B. Finals

(BY BILL CUNNINGHAM.)

Lima South High school basketball team lost its game to Cleveland Shaws, 22 to 9, in the state basketball tournament, at Delaware, Friday at 1:20 p. m.

South played a snappy game, but Cleveland was too fast for them. Spencerville lost 18 to 6, to the Erie quintet.

The best game of the day was between Cleveland Central and Canton McKinley, Canton winning 19 to 9. Indications at Delaware Friday morning were that Canton will be a strong contender in the finals.

Other games of the day, Friday, were:

Millersport, 14; Green Spring, 21. Akron South, 26; Archibald, 15. Clyde, 15; Ashland, 23. Marion, 21; Lorain, 23. Martel, 27; Port Clinton, 10. Kenton, 12; Massillon, 22. Middleberg, 6; Mansfield, 31. Degraff, 7; Avon, 22. Fostoria, 21; Sycamore, 11.

## PLAN TO OVERRIDE WILSON VETO

Tariff Bill Backers Ready to Meet President's Rejection

WASHINGTON.—(By Associated Press.)—Seedy action by the house on the Fordney emergency tariff bill, returned to that body after a conference agreement on the senate amendments to the measure, was planned by proponents today in order to hasten its arrival at the White House and give time for an attempt to override a presidential veto should that be necessary.

Altho it was believed unlikely that the measure would be called up for final action before tomorrow, there was a possibility that some of its enthusiastic supporters would compel consideration today, the bill having a parliamentary right of way over other business.

**HITCH ON SUGAR SEEN.**

The only serious stumbling block to house approval of the senate amendments as agreed upon in conference yesterday appeared to be the sugar tariff adopted by the senate. Altho the two cents a pound rate agreed upon by the conferees is considerably lower than the rate provided in the original senate amendment, doubt was expressed today that the house agree to any additional tariff on sugar. It was recalled that three attempts to add sugar to the emergency list when the bill was before the house were all voted down overwhelmingly.

**LIBRARY ROBBED**

VAN WERT.—When an attendant opened the cash drawer to make change for a patron of the Brumback public library here late Wednesday, she found that \$20 was missing. A package of chewing gum and a small bottle of hand lotion was also taken.

**WOMAN INJURED**

OTTAWA.—While going to her work here Friday morning, Mrs. Herbert Horstman fell on an icy pavement, breaking the bones of her right ankle. She was taken to Lima for an X-ray examination of the break.

**TO PROTECT WORKERS FROM FAKE PROMOTERS**

CHICAGO.—Chicago workers will be protected from fake stock promoters, hereafter, according to plans of the Better Business Bureau. A keyman, unknown to the employees, will investigate all unknown stocks offered for sale to workmen.

**OPPOSE CONSOLIDATION**

VAN WERT.—Consolidation for Toltz and Convey schools was secured Thursday when it was shown at a hearing before the county board of education that the total number of voters in the two districts is 1200 and the list of remonstrances filed contained 525 names. The consolidation was authorized January 15 upon a petition. Opposition has been growing in the township since, largely because Convey, where the new school is to be located, is not in the center of the township.

## FIRST ARREST MADE FOR FAILURE TO PAY DOG TAX

Methro George, of Perry Tp., was arrested Friday afternoon by Sheriff Baxter, on a charge of harboring an unlicensed dog. Fined \$10 and costs by Justice of the Peace Botkin. George was ordered to take out a license for his dog.

"This is the first arrest under the law requiring that licenses be taken out and dogs tagged," Sheriff Baxter said. "Others will follow if those who have evaded the law do not get busy quick and procure licenses."

## PAY OF BANKERS MUST BE SHOWN

Report on Salaries Called For By Comptroller

NEW YORK.—(By Associated Press.)—Keen interest was evinced in Wall-st today in the order of the comptroller of the treasury calling for a report on salaries of national bank officials in connection with the national bank call issued yesterday.

Such a report, it was pointed out, would mean the making public of the great range of bank officials' salaries, as the law requires that bank statements in response to the comptroller's call must be published. Some bankers were reported to be seeking legal advice as to whether the order, which said to be unprecedented, could be enforced.

These bankers were quoted as holding that publication of such information would be the source of invasions of comparison among banks and might cause unjust reflections. Information as to salaries heretofore has been furnished to the comptroller privately by bank examiners. The comptroller in his recent annual report, criticized inequalities of bank officials' salaries and expressed the opinion that bank stockholders should be informed as to salaries paid to executives.

**VETERAN ELECTED**

COLUMBUS.—Frank W. Forsythe, Columbus, a world war veteran, was today elected secretary of the state civil service commission, succeeding Kenneth McKinley, resigned. Forsythe formerly lived in Delaware. He served overseas in the 83rd division with the rank of captain.

### LIMA BOY ADMITS CHURCH THEFTS

Mystery of Wapakoneta Robberies Claimed Cleared

ED. LANAHAN IS ARRESTED

Thomas Kinstle, War Veteran, Dies of Apoplexy

WAPAKONETA (Special) — With the arrest of Edward Lanahan, 15, Lima youth, mystery surrounding thefts at \$20.29 from Miss Edith Noyes as she was engaged in the confessional at St. Joseph's Catholic church, yesterday, has been cleared up, according to police. Lanahan was arrested on Juvenile charges and admitted the theft. Police say he also said that he took \$2.90 from Mrs. Margaret Heise, an aged 70, in the church yesterday evening. Officers say he fled for a trial on Wednesday but a trap set by Rev. Julian Kater, captured him, officers stated.

Council passed an ordinance providing for the payment of costs and expenses of purchasing and erecting equipment, machinery and appliances necessary to transmit current across necessary to the railway Co. from West. Co. Ohio Railway Co. power plant on N. Marys for municipal plant. Bonds in sum of \$2,000 will be issued.

As soon as the rains in farmers in this vicinity will begin spring plowing. During the part of this week, when ground was soft, several farmers plowed clover seed.

An indication of the upward trend in prices of farm products was evidenced when a sale at the Ford Koch farm north of here brought \$5,000. Brood sows sold for \$6 each. Nine hundred bushels of grain brought more than market prices. Ten horses and mules brought a total of \$1,799.30.

F. O. Brown's annual sale of large-type Poland China hogs at Highland Stock Farm east of here, brought \$2,500. Forty head were offered, making an average of \$62.50 per head.

An echo of the proceedings last summer when W. J. Danzig, now serving a term in the Mansfield Reformatory, was in court for transactions as a Sidney, Osgood and Ft. Loramie piano dealer, was heard in common pleas court here Thursday when Loramie Banking Co., of Ft. Loramie filed suit against Minister State Bank, asking for \$3,745 on a certificate of deposit, bearing the name of Danzig, issued by the Minister bank and passed to the Loramie bank, which paid the consideration. Now the Minister bank won't pay, it is alleged.

Thomas Kinstle, 78, veteran of the Civil War, died suddenly of apoplexy at his apartments here Thursday afternoon.

Between 20 and 25 members of the Auglaize Co. Bar association expected to attend the banquet and meetings at Hotel Steinberg here Friday night. Judge Phil M. Crow of Kenton scheduled to speak. Judges W. H. Kinder of Findlay and Kent W. Hughes of Lima also expected to attend.

Mrs. Naomi Abbott, 69, died here from internal inflammation.

## FRANCE IS WARNED OF U. S. "AIM"

American Seizure of Antilles  
Feared, Report Says

### ALARM GIVEN BY SENATOR

Essential to Monroe Doctrine  
Policy, He Asserts

PARIS.—(By United Press)—Fear that the United States will seize the French Antilles was roused here today by Senator Berger.

Berger, who represents the Antilles in the French senate, declared the islands essential to America in the Monroe Doctrine to be upheld.

The Petit Bleu declared there was an American danger, pointing out:

"Our American friends have said: 'They have to the Antilles, and we have to the Antilles.'"

Berger issued a warning in an interview with the Petit Bleu in which he said:

"I am exceedingly happy that I have been neglected from Guadeloupe. I am especially happy because it represents the attachment of the Antilles to France. I am opposed to the principle of separation which the United States would like to implement."

"Already, they are in Haiti and Cuba. In order to apply fully their famous Monroe Doctrine, it is necessary that they have no French. They have no desire to surrender to the big trusts."

Berger's warning was taken to the foreign office today. Officials of that department indicated they had no fear of the United States making attempt to take over the islands.

### BULLET MEETS BULLET IN BARREL OF GUN

BOSTWICK, Ga.—A rather serious shooting affray occurred at the Morgans convict camp near here when two guards, Moore and Bramlet, engaged in a discussion over some trivial matter. The argument became so heated both men drew guns and began firing at each other from a distance of about eight or ten feet.

Moore received two wounds in the head and Bramlet two in the right arm. That both were not instantly killed is perhaps due a very unusual occurrence, the fact of which was never before heard of here, and is without counterpart so far as known.

One of the belligerents was using a 45-calibre gun carrying a steel-jacket bullet, and the other a .38-calibre carrying a lead bullet. Both were five shooters and had each been fired four times. When the fifth shot was fired the bullet from the .38 entered the muzzle of the .45 and came in contact with the bullet of the .45 that had proceeded about three inches in the barrel on its way out.

When the bullets met they lodged and had to be removed with a punch. It is thought that both men will recover.

### RUSSIAN REFUGEES KEPT ON SHIPBOARD

PARIS.—Five thousand Russian refugees, including many former Wrangel officers and their wives, remained huddled aboard ships off the Tunis coast for several days without being permitted to go ashore, because of the strange error of a French administrative official. The refugees were to have been embarked at Bizerta and others were ferried from Paris that they were to occupy a number of barracks used to house Serbian refugees during the war. Paris had forgotten that the barracks had been demolished two years before and it took a long exchange of messages to straighten out the situation. Among the refugees were 350 women, belonging to the upper and middle classes of Russian society who were without even a change of clothes.

### GOES FAR FOR BRIDE. ROMANCE SHATTERED

CINCINNATI.—Dr. Arthur Miller came all the way to Cincinnati from Honolulu to wed only to find that the parents of the prospective bride refused to consent to a marriage that would take their daughter to the far away island in the Pacific. Dr. Miller is a former Cincinnati.

PRIEST DIES.—Rev. Anthony Prince, 29, formerly an assistant priest in St. Augustine's church, Barrington, died here today. He had been in ill health since his ordination in 1919 and had spent much of his time in Colorado and Texas since then in search of health. The funeral will be held in Cleveland next Tuesday.

### GAS COMMITTEE TO HOLD SESSION MONDAY

The Friday noon meeting of the special sub-committee of the joint Chamber of Commerce and Manufacturers' association gas committee asked to have a session at noon Monday with the joint directors of the two organizations. At 11:45 a. m. Monday the two gas committees will meet to hear the report of the sub-committee that spent the noon hour Friday, attempting to evolve a plan of arbitration. At 12 o'clock the two committees will meet with the two boards of directors. Both sessions will be held at the Elks Home.

### TEACHER DIES OF SLEEPING SICKNESS

CINCINNATI.—Miss Catherine Hooley, a teacher in the Winton school, died yesterday of sleeping sickness, according to a report made in the health department today. Health Commissioner Peters said that there have been ten deaths from the disease since January 1 and 39 cases in all.

### FUNERAL SATURDAY FOR ACCIDENT VICTIM

Funeral services for Fredric Hastings, 29, son of Mr. and Mrs. Albin Hastings, 229 S. McDonald, who was killed by a truck at Greenlawn-ave and Vincent Thursday noon will be held Saturday at 1 p. m. at the residence. The Rev. Otis Harter will officiate. Interment in Greenlawn cemetery, near Wapakoneta.

## HOUSE MEMBERS ARRIVE FRIDAY

Change Made in Plans For Legislators' Visit

Twenty-two of the finance committee of the lower house of the Legislature, Colorado, will arrive in Lima at 2 p. m. Friday, for a session of the state hospital.

Plans had been made for the coming of the visitors Saturday, but late Thursday a telegram was received by Dr. Clark, at the hospital, changing the itinerary.

A reception committee of representative citizens greeted them on their arrival, immediately after which their car proceeded to the State Hospital, where Friday they will return to the city and be the guests of the reception committee at a dinner at the Lima club, at 6 p. m.

The reception committee includes: Chairman George E. Nayly, Judge Fred C. Becker, Brice Applas, H. O. Bentley, H. L. Breckenridge, Mayor Frank E. Packhardt, Dr. Charles Clarke, L. A. Larsen, A. H. Zacher, Clarence Breese, Ralph Austin, R. E. Ashley, President of Council W. J. Dempster, Judge George H. Quail, A. J. Gray, W. W. Craig, James G. MacKenzie, H. J. McClure, E. T. Cuthbert, W. L. Reid, Paul W. Crawford, Robert J. Plate, Earl Leach, J. O. Neuman, Wm. E. Bailey.

During the winter remainder subsist entirely on moss which abounds on the vast tundras and hills of Alaska. They use their feet for removing the snow and their antlers only for fighting.

### "THE HOODOO" PROVES TO BE A SPLENDID DRAMATIC SUCCESS

A large and very appreciative audience thoroughly enjoyed the comedy, "The Hoodoo," cleverly and successfully presented by the Troutadourian Dramatic society of Central high school in the school auditorium, Thursday evening.

The play dealt with the fatal scarab, a hoodoo, which when presented to anyone brought all kinds of bad luck and trouble to the receiver, providing it was not buried for 24 hours. Then, of course, the little threads of romance, thrown in here and there added much to the attractiveness of the play.

Each and every one of the cast did splendidly in his or her part. In fact the cast was so splendidly balanced that to give special mention to one or two would be a great injustice to the others.

The stage settings were very artistic and effective and the pretty costumes made the play very delightful. To the directors, Miss Zella Foster and Miss Hyington, great praise is also due for the success of the play.

### ROBBERY FOILED

Bandits Frightened Away From  
Bank at Haskins, Ohio

HASKINS, Ohio.—(By Associated Press).—Using a motor truck and a block and tackle, yegmen succeeded in moving a heavy safe to the door of the Haskins bank here early this morning. Then they were frightened away.

They left intact the safe and its contents which bank officials say amounted to approximately \$25,000 in cash and negotiable securities. The attempted robbery was discovered at 7 a. m. when L. W. Vermilya, cashier, arrived at the bank and found the door open. Tracks of the bandits car were traced several miles northward toward Toledo in the light snow.

### SIX CHILDREN ARE HERNSTEIN HEIRS

Will of late Jacob Hertenstein was probated Friday morning. Heirs named are six children, namely, Louisa, Herman, Lydia, Caroline and Charles, all of Spencerville. He directed that his farm in Van Wert be sold three years after his death, and the proceeds divided equally between his children.

During the three years the rents and proceeds from the farm are to be used in paying his just debts and funeral expenses.

### SUPERINTENDENT AND MATRON QUIT HOME

SPRINGFIELD.—F. L. Sharke of Cincinnati, superintendent of the Ohio Knights of Pythias Home for Aged in this city, has resigned. It was announced today, and will take effect in business in Cincinnati. His successor will be named later. It was also announced that Mrs. Betty Covington, of Cleveland, matron

of the Home, has resigned. Matron Covington, however, will remain in charge of the Home until another is chosen.

Both said they quit because hours were too long and the work too strenuous.

## WORLD UPEHAVAL SEEN BY BISHOP

Great Revolution is Predicted  
By Englishman.

## 'CLIMAX TO GENERAL UNREST'

Dark and Threatening Future  
is Pictured.

(By EARL C. REEVES)  
LONDON. — "The world today seems to be moving with no certain steps toward the abyss of revolution."

"Russia has deliberately modelled herself on the French revolution, and has repeated on a vast scale the excesses of the past."

"The world is waiting for the appearance of a Russian Napoleon who will complete the sinister parallel."

Dr. Hensley Henson, Bishop of Durham, thus pictures a dark and threatening future for the world. Further he sees the world of today in a psychological mood of indifference which raises no barriers of public opinion against the revolutionary excesses.

"England now, as at the time of the French revolution," says Dr. Henson, "holds a position of detachment. Her insular position still counts for something, her long tradition of self-government count for much more, the wide diffusion of Christian principles among the people counts for most."

"But notwithstanding these ad-

vantages there is a revolutionary spirit abroad which, unless it can be exercised and restrained, will sweep up into irretrievable disaster.

"In Ireland an orgy of murder has been proceeding for some time without apparently provoking any genuine horror, either in the Roman Catholic hierarchy or the religious people that hierarchy controls. It is only when treacherous murder at length provoked the most deplorable reprisals that we heard some half-hearted remarks."

"The readiness of the public conscience in the face of extreme and evident wickedness is the most disquieting feature of the times."

## OLD AT 40? IRON STARVATION

of the blood perhaps and your worn out, exhausted nerves need to be revitalized of the blood perhaps and your worn out, exhausted nerves need to be revitalized.

For this purpose there is nothing better than Organic Iron; not metallic iron which people usually take, but pure Organic Iron—Nuxated Iron—which is like the iron in your blood and like the iron in spinach, lentils and apples. One dose of Nuxated Iron is estimated to be approximately equivalent (in organic iron content) to eating one-half quart of spinach, one quart of green vegetables or half a dozen apples. It is like taking extract of beef instead of eating pounds of meat.

Over four million people annually are using Nuxated Iron. It will not injure the teeth nor disturb the stomach. A few doses will often commence to enrich your blood. Your money will be refunded by the manufacturers if you do not obtain satisfactory results. At all druggists.—Adv.

## NUXATED IRON

## Children's Colds and Croup Quickly Relieved

Mother, don't wait until baby is strangling and gasping for breath. Free want needless suffering. At the first "croupy" sound rub on a little pleasant penetrating Gooro Vapo-menthol. Children like it and it will not burn or blister. It quickly relieves the congestion and baby is soon breathing peacefully in sweet dreams. Doctors recommend it. Money back if not satisfied. At all good druggists on this positive guarantee.—Adv.

## WHEN YOU USE IODINE

For Soreness, Lameeness, Cuts or Bruises.

Iodine has been used as a general antiseptic healing agent and first-aid dressing for minor injuries for over one hundred years and today seems to be even more popular than ever.

In nearly every home the Iodine bottle has a prominent place. But ordinary tincture of Iodine is objectionable in that it always stains and often irritates or blisters the flesh.

To overcome these serious disadvantages of the Tincture of Iodine and still retain 100% medicinal value, has long been a problem which has finally been successfully solved by a well-known Syracuse, Chemist, who has recently marketed a preparation called Laminol, and many Iodine users, especially those in the place of the old-fashioned tincture.

It goes further and costs less, at the same time offering a dependable Iodine medication that can not evaporate, stain, irritate or blister and does not lose its strength.

The next time you want to use Iodine try Laminol. Money back if you don't like it better than the Tincture. Fred Butler, H. P. Vortman, or any good druggist can now supply you.—Adv.

## Banish Catarrh

Breathe Hyomei For Two Minutes and Stuffed Up Head Will Go

If you want to get safe relief from catarrh, cold in the head or from an irritating cough in the shortest time breathe Hyomei.

It will clean out your head in two minutes and allow you to breathe freely, awake or asleep, or money refunded.

Hyomei should end a cold in one day, and relieve you of disgusting sniffles, hawking, spitting and offensive breath in a week.

Hyomei is made chiefly from eucalyptus, a soothing, healing, germ-killing antiseptic, that comes from the eucalyptus forests of inland Australia, where catarrh, asthma, and other bronchial troubles are seldom known.

Hyomei is pleasant and easy to breathe. Just pour a few drops into the Hard Rubber Inhaler, use as directed and relief is almost certain.

A complete Hyomei Outfit including inhaler and one bottle of Hyomei costs but little at druggists anywhere.—Adv.

## MI-ONA Ends Indigestion

It relieves stomach misery, sour stomach, belching and all stomach disease or money back. Large box of tablets at all druggists in all towns.—Adv.

## OIL PROSPECTING NEAR DELPHOS

Big Leases Taken and Drilling is Started

### DELPHOS BOY BREAKS LEG

Michigan Man, Arrested in Lima, Married While Prisoner

DELPHOS — (Special) — Unless oil experts and companies who are taking leases on much territory around this city are greatly mistaken, Delphos is in for an oil boom within the next few months.

The Hudson Oil company of Parkersburg, W. Va., thru W. C. Scott of this city, has leased about 30 farms here, or about 2,400 acres. This tract extends west from the Jerry East to the Tossing farms on the Lincoln highway. Several other companies have also taken leases in this territory, among them a Columbus Grove concern.

Men are now drilling on several farms W. E. Gray, of the W. Va., concern was in this city inspecting conditions.

Arthur Rhode, son of Mr. and Mrs. Henri Rhode, slipped and fell into a ditch, and suffered a fracture of his leg between the knee and the hip. The fall was playing ball Thursday when the accident occurred.

St. Johns high school basketball team of Lima cancelled the game they had scheduled with the St. Johns quintet of this city for Thursday, evening. The Lima lads gave no reason. The locals recently defeated them by a score of 62 to 2. The team will take part in the Spencerille tournament on March 4. Many men and women have been selected by the Knights of Columbus committee in charge of the minstrel frolic to be staged here soon, to take the parts and a rehearsal was held Thursday.

George McCarthy, sheriff at Albion Mich., stopped off at Van Wert while on his way to Albion from Lima with Bernard Robinson, wanted for a year for grand larceny, in charge. While there, Robinson met and married a woman named Florence Daniels, who stated she was a Van Wert resident. They were married at the office of the probate court.

## CROWN FORCES ROUTED IN IRISH BATTLE

MACROOM, Ireland, (By Associated Press)—Three hundred men in an ambush attacked a large party of auxiliary police between Macroom and Ballyvourney this morning.

Later the battle was renewed when hundreds of reserves were hurried to the scene by the military, battle airplanes assisting in the attack on the Irish contingent.

## BOND IS REDUCED IN THE VAN HORN CASE

Reduction of the bond of Howard Van Horn, 21, charged with theft of hides, from \$1,000 to \$500, may result in Van Horn being released from the county jail. He hopes to secure bondsmen sufficient to admit him to bail.

Van Horn's legal counsel instituted an examining court in probate court. Testimony was introduced by Van Horn and the state. He declared he had purchased the hides. He was bound over from police court on \$1,000 bond. Van Horn had been married only a few days when arrested.

## CHILD'S ELBOW IS BROKEN IN A FALL

Fall from a sewing machine table, to which she had climbed, resulted seriously Thursday afternoon for Lucille Snyder, 4, daughter of Mr. and Mrs. Andrew J. Snyder, Ottawa.

X-ray examination developed the broken elbow. The child was removed to her home Thursday night. Snyder is foreman of the Whittier tile mill, Ottawa.

## JUDGMENT APPEALED

B. J. Beach has appealed to common pleas court the judgment of \$230.25 which Elmer L. Harrod secured against him in Justice W. H. Guston's court. The amount was for commissions on sale of property and money loaned Beach. Harrod said, Beach did not appear to contest the case in justice court.

## MILLS TO RESUME YOUNGSTOWN

Operation of sheet mills in the Youngstown district will show a decided increase next week according to an announcement today, when it was said that 45 out of 100 mills in the Mahoning Valley will be working, as against a five per cent operation at present. This will be the highest rate of operation this year. Operations in other departments of the plant will not show a decrease.

## TOLEDO POLICE ARREST EACH OTHER AS SEVERAL SUSPECTS MAKE ESCAPE

TOLEDO — Several men suspected of being ringleaders in a burglar organization escaped today when the police became confused and started arresting each other. Detectives who were searching a rooming house supposed to be a hiding place for stolen goods, were mistaken for thieves by members of the vice squad who held up their brother investigators at the point of guns. At another place, Paul Wosenberg, an officer recommending as a buyer of stolen goods, was helped from heat quarters by the police, in the mix-up, the suspects, carry away a big haul in an automobile. Luther Thompson was the only suspect whom the police were able to bag before the melee.

## BONDS FOR 4 TOLEDO SUSPECTS AGAIN RAISED

TOLEDO — Bail for four suspects held in last week's \$1,500,000 post-office hold-up here, were raised a second time today by United States marshal John Galt. Bail for Joseph J. Kelly, who was arrested in Toledo, was raised at \$150,000. The bail for Joe Phayis, first of the four, was raised to \$175,000, and the bail for his brother, Frank Phayis, was raised to \$100,000 or remain locked up.

At the time the suspects asked for bail, they were in custody.

## CITY AWARDS CONTRACT FOR LIGHT REGULATORS

The board of control Friday awarded a contract for regulators to be used in connection with the boulevard lighting system, to the Westinghouse Electric & Manufacturing Co. of Pittsburgh, according to information given out by Mayor Burkhart. The amount of the contract is \$1,050.

I refuse to pay any bills, from this date, contracted by my wife, Larena (Haggard).

## INFANT DIES

Richard Diehl, three-weeks-old son of Mr. and Mrs. Ray Diehl, 729 Lafayette, died Friday morning. The child had been ill since birth. The parents, two brothers and a sister survive. Prayer services will be held Friday afternoon at 4 o'clock at the residence. The Rev. B. B. Stoltzfus will officiate. Interment will be at Woodlawn.

## EXPECT TO COMPLETE MOOSE HOME MAY 1

Work is to be resumed on the Moose lodge building, at North and West-sts. March 1st. It was announced at a meeting of the lodge members Thursday evening and the home is expected to be ready for occupancy by May 1st.

At this meeting, the eleventh anniversary banquet, three hundred and more members pledged \$3,000 to a \$17,000 fund expected to be raised during the next three months for the completion of the building.

Prosecuting Attorney Eugene Lipincott spoke on "Fraternalism" at the banquet meeting.

Add a little mace to the batter when making fruit cake. It blends nicely with the fruit flavor.

Former Lima Woman Seeks Position at Delaware

Sarah Douglass, formerly in girls' social service work in Lima and identified with the Business Women's club of this city, now with the Women's Protective association in Cleveland, is one of three who passed the civil service examination at Columbus and certified to the board of administration by the state civil service commission Friday, according to a dispatch from that city.

One of the three will be named for the position of matron of the Girls' Industrial School at Delaware, it is stated. The other candidates for the place are Mrs. Eva M. Wheeler and Mrs. Mary A. Scatterby, Columbus.

The new board of administration is expected to elect a new matron of the Delaware Home Monday, to succeed Mrs. Margaret McNamara, resigned.

## CHANGES IN BANK LAW URGED

Comptroller Seeks More Protection Thru Amendment.

WASHINGTON.—National banks must be made absolutely immune from failure because of bank "traps" or other sudden changes in the law, the Comptroller of the Currency, William C. Williams, said today. Williams has urged Congress to amend the Federal Reserve Act to give national banks the same protection as state banks.

The Comptroller said that the present law is "deficient" in many respects and that it is "urgent" that it be amended to give national banks the same protection as state banks.

## BLUE LAW DRESSES FOR GIRL STUDENTS

SPRINGFIELD, Mass.—Unless plans suddenly go wrong 500 girl students at Central High school will adopt a uniform dress.

The plan originated with Miss Dora Brown, gymnasium instructor.

Principal William C. Hill favors any movement that eliminates excessive dresses and reverts to former decency of styles.

## STUDENT SUFFERING FROM STRANGE ILLNESS

NORTON, Mass.—Physicians are puzzled over a strange illness, resembling the sleeping sickness, which has held Miss Margaret Yelle, eighteen years old, daughter of Mr. and Mrs. Wilfred Yelle, a student in Wheaton College, in its grip for three weeks.

The girl has been in a comatose condition, yet there are periods when she apparently wakes up, only to lapse again into unconsciousness. A consultation of physicians failed to diagnose the case and a report has been made to the State Department of Health.

Dr. A. M. Round, the attending physician, said that the girl was suffering from eye trouble brought on from over-study for the mid-year examinations.

## GEORGIA'S YOUNGEST MOTHER IS ONLY 12

ATLANTA, Ga.—More children are born in Georgia to mothers in their twenty-third year than at any other time, the percentage being 6.12, according to certain relative statistics compiled by the State Board of Health. It is shown by these figures that 22.54 per cent of births are by mothers between twenty and twenty-three years old. The figures were compiled among 10,415 white families in which births occurred in the month of June, July and August, 1920.

These families averaged 3.5 children each, including all births and prior to the month named. The youngest mother on record was twelve years old.

# Kingnut MARGARIN

for people of taste

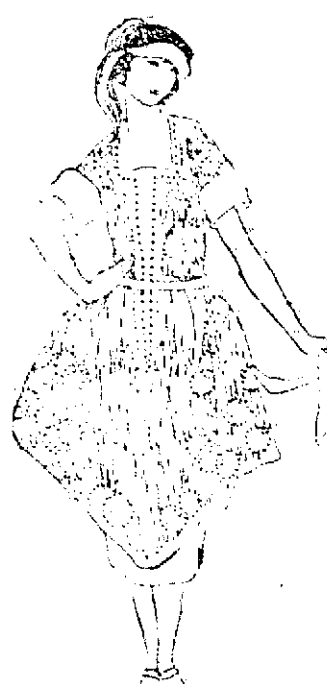

Kingnut adds flavor to vegetables.

THE essence of the flaky cocoa-nut, the oil of the wholesome peanut, the pure, pasteurized milk of the cow—these make Kingnut. Its price may cause it to fill a long-felt want of the kitchen; but its smooth, fine flavor makes it a discovery for the table. Try it. Put Kingnut on your grocer's list for today.

## Special Demonstration of the

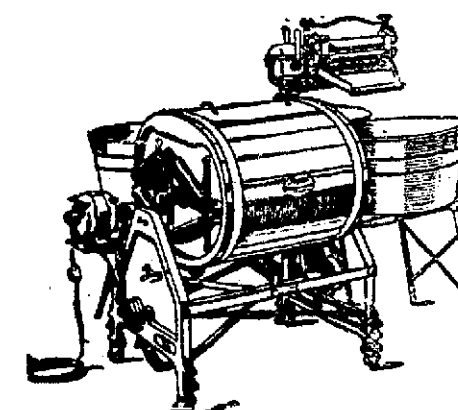

Prima  
WASHES BY SURFACE TENSION

Nature provides one way to cleanse clothes. People have utilized this blessing according to their own ideas, yet the basic principle will always be the same. The peculiar characteristic of water which causes it to cling to things, and also hold its globular form when free is the thing which makes possible the washing of clothes. You notice a drop of water trickling down the side of a vessel. It clings to the vessel, but the weight is too great for the attraction and then it falls, coming instantly back into the round shape of a drop. This is surface tension.

The Inside of the Tub is Perfectly Smooth

By taking the simple basic principle of Surface Tension and developing that one principle to the point of mechanical perfection we have produced the perfect washing machine—the Prima. There are no complications to cause loss of time—or to tear the clothes. It is all surface tension! The water is continually churned causing it to be broken up with a rapidity that literally sucks the soil from clothes. You are astonished at the speed with which this machine cleanses clothes. Yet the most delicate fabrics are never injured. Furthermore, this machine is easily operated—easy to keep clean—and is so strong and durable that it will wear a lifetime. It costs less for electric current—considerably less than any other machine—yet it is more efficient. The Prima is not designed for parlor use because it is not used in a parlor. But it is built for easy work—quick work—and a long life of satisfactory service.

Come in and see this machine in operation any time—See our window display.

# BRITAIN BUILDING FEWER SHIPS

Decrease Shown First Time Since End of War

LONDON—For the first time since the end of the war Lloyd's Register of Shipping shows a decrease in the United Kingdom in shipbuilding for the final quarter. The decrease for the final quarter of 1932 is about 22,000 tons, as compared with the previous quarter's returns.

The total number of steamships launched during the past year in the United Kingdom was 574 vessels of 1,991,782 tons.

One very striking feature of the statistics is the number of oil tankers under construction in various countries. There are at the present time 160 tankers and motor vessels under construction for the carriage of oil in bulk. These ships are all over 1,000 tons and fourteen of the largest ones are being built in the United Kingdom and twenty-eight in the United States.

America ranks second to the United Kingdom with the amount of shipbuilding on hand. The United States has 235 vessels with a total tonnage of one and one-half million—the United Kingdom has 221 vessels with a tonnage of three and one-half millions.

The registry of shipping suggests that the present decline in the world's shipbuilding may prove to be the beginning of a downward

# movement which will be just as rapid as the increase which has taken place since 1918.

## POLICE IN IRELAND CENTER OF ATTRACTION

DUBLIN.—Ireland in these troubled times is not without its humor as well as its pathos.

In Belfast recently there were serious riots, resulting in three deaths. The Nationalist element were rather out for the blood of the constabulary.

A big quayside worker met a policeman on Royal avenue and went for him immediately. The policeman was worsted and the docker had him held down and was pounding furiously.

A comrade rushed to give the docker worker assistance.

He was waved away with an angry gesture, the victorious Nationalist shouting:

"Find your own policeman."

## FAREWELL TONIGHT FOR THE REV. F. A. STILES

Rev. F. A. Stiles of the First Baptist church will be tendered a farewell Friday evening at the church. He is leaving to take up a pastorate at Middletown, after serving the church here for nearly ten years.

Arrangements are in the hands of the women's societies and the program is being arranged by W. L. Parmenter, chairman for the evening. Addresses will be given by members of the Ministerial association and members of the church.

Sunday at 4 p. m. Rev. Stiles will speak at a special service at the church held to accommodate his friends in other churches who may wish to hear him before he leaves.

## "DON'T WORRY" GIVEN AS SECRET OF AGE BY WOMAN 104 YEARS OLD

ATLANTA, Ga.—To few women is it permitted to celebrate their one hundred and fourth birthday, and to few is it permitted to celebrate such a birthday surrounded by two daughters, seventy-four and seventy-six years of age, and a son who is eighty years old.

Mrs. Elizabeth Osborne DeHart, of 145 Dill-ave who enjoyed these many distinctions, has just celebrated her birthday in the company of her two daughters, Mrs. Lydia A. Price, with whom she makes her home, and Mrs. Mary E. Keese, of Nashville, Tenn., and her son, Isaac DeHart.

Mrs. DeHart came to Atlanta more than thirty years ago. She was born at Asbury, N. J., in 1817, and after the war between the States came to Nashville, Tenn., subsequently removing to Atlanta.

Until about two years ago Mrs. DeHart's physical condition was such as to enable her to get about at will, but during the past few months her strength has failed to the point where it is necessary for

## ELKS TO AGAIN STAGE MINSTREL SHOW, MARCH 1ST, ON LADIES' NIGHT

The splendid minstrel performance given by the Elks on Washington's Birthday, on the occasion of the initiation of two classes of candidates for anti-lens, numbering 17, 400, will be repeated Tuesday evening, March 1, at the Elks' Home for the pleasure of the Elks' ladies.

The minstrel show will be followed by a movie program and the 11 o'clock toast will be put on with elaborate scenery and electrical effects, it was announced Friday.

Dancing will be enjoyed after the show, with music by Evan's Peerless orchestra.

Jack Beall, Sr. to whom much of the credit of the success of the Elks' minstrel is due, will be the interloper. The Elks' male chorus of 30 voices will be the feature of the evening of entertainment provided for the pleasure of the ladies.

## LOSES SUIT AGAINST LATE SERBIAN QUEEN

PARIS.—An unsuccessful attempt has just been made by heirs of a French doctor to recover \$5,000 for attendance on the late Queen Draga of Serbia, when she was about to give birth to a child. The doctor was summoned to Belgrade a year before Draga was assassinated. His heirs were defeated in a suit they brought against the dead Queen's mother-in-law, Queen Nathalie.

Matinee recitals of the Woman's Music club continues to grow in favor each one showing an increase in attendance quite encouraging to those who have the affair in charge as well as those who are on the program and the officers.

Thursday's matinee recital was under the direction of Mrs. Winona Vinson Forrer and Mrs. Roy Banta, two of Lima's most talented readers. The program had been arranged in two parts the musical part having for its first number a most talented pianist named as Lima, Mrs. Albert Schumacher, Columbus Grove, who has devoted years of study at Oberlin and New York. She played Chopin's "Sonata in B Flat Minor," Mrs. W. A. Campbell had for her subject, "Musical Favorites," and touched upon the passing of jazz, its development and upon people and musical organizations. Going further, she said that America is now awakening to the best in music and she spoke of the opportunity here in Lima to further musical programs by having programs that would be pleasing to the foreign born. "Kissin' a Schön Rosemarin" and "William Haecche's 'Hungarian Dance'" were played by a most charming young girl, Miss Dorothy Kleinberger whose playing was a delight to her many admirers. "Slumber Song" by Grechashinow and "Today is Fair" by Strickland were two lovely songs by Miss Violet Lewis who has a very pleasing, clear, soprano voice and showed painstaking study.

Part two was "The Floral Shop" one act comedy by Winifred Haverkedge. The stage settings were beautiful, picturing an up-to-date floral shop containing all the lovely flowers and palms. The time was one April morning. Maid, sentimental shop girl was played by Mrs. Josephine McHaffey; Henry a typical shop boy by Mrs. Oscar Young; Morley a Jewish florist was played by Mrs. M. M. Keltner; Miss Wells a sweet face maiden lady was played by Mrs. J. K. Bannister and Mr. Jackson a self-satisfied man was played by Mrs. F. H. Downing.

Mrs. Bannister who is a graduate of the Schuster-Martin school, Cincinnati, is one of Lima's most talented readers but has not appeared much in public. She delighted her friends for she took the part perfectly. Mrs. McHaffey, who attended an eastern school showed decided talent. Mrs. Oscar Young, president of the Dramatic society has the rare ability of assuming a rollicking voice to perfection. Mrs. Keltner, always a favorite, scored a great success as the heart-chaser who realized that the heart has something to do even in business. Mrs. Frank Downing showed splendid histrionic ability and should certainly appear more frequently in public.

The public is very much interested in the Dramatic society of which all the performers in the cast are members, and it is hoped that they will appear more frequently in their clever and enjoyable plays.

Mr. and Mrs. Charles Young and son Earl, Elmwood-41 and Miss Marcine Prosser, N. West-st., and the guests of Robert Young, a student at Ohio Wesleyan University, Delaware.

Robert Young returned to his home in Chicago after visiting with friends and relatives in this city for several days.

Mrs. Charles Warren returned to her home in New York City Thursday after visiting with her sister Mrs. Frank Schumacher, S. Cole-st.

## A GREAT ACTOR'S GREATEST SCREEN ACHIEVEMENT

"One Man in a Million" coming to the Lyric Sunday with George Bauman in the leading role.

New folks, the management of Lyric theater begs the privilege of directing your attention to its program starting Sunday which is going to be of exceptional merit. Every body realizes that there is always a great temptation to exaggerate in this connection but this program is to be so varied, and so interesting as to merit the commendation of everybody. In the first place there is the picture "One Man in a Million." And it is said that this production, in which George Bauman stars, and which he himself directed is really a picture in a million. It is a sweet, wholesome, heart-breaking picture—a wonderful page from real life—that gets a tear, a sob and a laugh that makes you a better man or woman for having seen it. We're not going to tell you the story here. That would spoil your pleasure in seeing the picture. But we are going to say and that without reservation, that if you come to the Lyric Sunday you'll not go away disappointed. Then there are two added attractions. Think of it! Two! First perhaps comes Harold Lloyd, that king of fun makers in his funniest skit of all "Ask Father." Be here as you'll surely roar when you see him in it. And again there will be Prof. Schuster with his acrobatic. And he is certainly a wizard with this instrument. So make your plans so that the Lyric will be included in them Sunday. And please come early that you may not have to stand in line.

## NOVEL EVENING WRAP OF BLACK AND GOLD CLOTH

By ELOISE.

The woman who likes the odd, the unusual and the bizarre in her wardrobe can surely find enough such clothes this year. Expert designers are spending much of their time devising gowns and wraps on unusual lines in vivid colors and odd combinations for just such tastes. Altho they may be costly and not very practical, they are at least lovely to look at. There is an evening coat which shows just what a designer may do when given free rein. The wrap is made of gold ribbon, interwoven with heavy black velvet. The trimming is of uncurled black ostrich feathers. They form a large collar and fall over each shoulder and reach to the knees, a most striking garment. Whether this wrap will be seen often at the opera or will be copied in less expensive materials is doubtful.

Honoring Miss Corinne Gray who leaves Saturday for Washington, D. C., Miss Nell Pursell, N. Washington-st., charmingly entertained a number of guests at her home Thursday evening. The evening was given over to dancing, music and other pleasures and later dainty refreshments were served to the hostess assisted by her mother.

Those enjoying Miss Pursell's hospitality were Misses Mary Esther Bentley, Myra Fridley, Margaret Wallace, Charlotte Sherwood, Esther Wedgemuth, Inez Bernstein, Bernice Lindemith, Blanche Rebekah Andrews, Katherine Bernstein, Alice Mary Cable, Dorothy McCray, Clementine O'Connell and Beatrice Boose.

Members of the Ex-celsior club enjoyed a pleasant afternoon at the home of Mrs. L. C. Hogart, W. Wayne-st., Thursday. The rooms were prettily decorated with potted plants and in a clever contest Mrs. Charles Umbaugh and Mrs. Charles Wedly were successful. Dainty refreshments were served by the hostess.

The club will meet in a fortnight with Mrs. A. E. Stacey, W. Wayne-st.

Mrs. Warren Kelly, who will leave for Detroit in the near future, was tendered a delightful surprise Thursday at the home of Mrs. Ralph Leete, Lincoln-ave., when the members of the S. Martha's Guild of Christ Episcopal church entertained with a pretty bridge-tee in her honor. Mrs. Carl Crites, Mrs. O. Ben Schultz and Mrs. Leete, were in charge of the affair. Mrs. Gerald Sawyer and Mrs. Crites were successful in the playing. At 5 o'clock tea was served by the hostesses and Mrs. Kelly was presented with a very pretty gift by Mrs. E. L. Kirk, as a token of remembrance from the guild.

Miss Mary Wirtfield, W. Wayne-st., will be the guest of friends in Ada over the week-end.

About 15 members of the Child Conservation league were in attendance at a very interesting meeting held at the home of Mrs. Ernest Heit, S. Jameson-ave., Thursday. Topic of discussion at this meeting was "Reverence and Heroism" and an excellent paper was read by Mrs. Charles Schrader. The league has been invited to join the City Federation of Women's clubs and members decided to join at the meeting Thursday. Following the business meeting a social hour was enjoyed and dainty refreshments were served by the hostess.

The next meeting will be held with Mrs. Cor. W. Norrhat.

Mrs. Frank Dalzell extended the hospitality of her home on W. Norrhat-st. to the members of the L. D. C. club to an all day meeting Thursday. The day was enjoyed especially and at noon a very delicious dinner was served. The only guest was Mrs. Nellie Miller.

Mrs. H. E. Holkins was hostess to the members of the Industrial club at her home on W. Elm-st. Thursday. The evening was pleasantly whiled away in cards and dancing and later a dainty luncheon was served by the hostess. The club will meet Thursday with Mrs. Edward Kohler.

Complimenting two brides elect, Miss Katherine Gramm and Miss Lucille Knisley, Mrs. W. C. W. Elm-st. very informally entertained a few of their very intimate friends Thursday. Cards and music were enjoyed through the evening and later the hostess served dainty refreshments. Mrs. Owen presented the honored guests with pretty gifts.

The many friends of Lawrence Keating, son of Mrs. Laura Keating will be pleased to learn of his marriage to Miss Agnes O'Neill, daughter of Mr. and Mrs. Michael O'Neill, N. McDonald-st. The marriage took place January 29 in Monroe, Mich. with Justice William Danz officiating.

George Bennett and daughter Minnie, N. Baxter-st. have returned to this city after a month's visit with relatives in Phoenix, Arizona and Dallas, Texas.

Wednesday Mrs. Dewey Young was hostess to the members of the Profit and Pleasure club at her home on W. Wayne-st. A unique contest in which Mrs. Ralph Tarbutton was successful was enjoyed and dainty refreshments were served by the hostess. Guests were Mrs. Everett Seltz and Mrs. Leo Black-burn.

Members present were Mrs. Ray Burns, Mrs. Carl Schellenbarger, Mrs. Frank Smith, Mrs. Doyle Berry, Mrs. Earl Boese, Mrs. Ralph Tarbutton, Mrs. C. Berry and the hostess.

The club will meet in a fortnight with Mrs. Lester Roberts, N. McDonald-st.

Members of the Friday Auction Bridge club met with Mrs. Frank Stoenor, N. Elizabeth-st. Thursday. Mrs. Oliver Stoenor, Mrs. Merton Scalls, Mrs. Frank Moke and Mrs. T. J. Hoffman acted as substitutes.

Miss Jeanette Stolzenbach and Miss Eloise Cunningham left Friday for Oxford where they will be the guests of friends at Miami university over the week-end.

Mrs. Glen Lory was hostess to a group of friends at her home in the Hawley-apts Thursday. Music and contests in which Mrs. Frank Kilgion and Mrs. Ray Snyder were successful, and other diversions furnished entertainment through the evening. Later a delicious luncheon was served by the hostess.

Guests were Mrs. J. H. Lear, Mrs. Eugene Harding, Mrs. Neft Ackert, Mrs. Fred Kepner, Mrs. Kenneth Goodman, Mrs. Ray Snyder and Mrs. Frank Kilgion.

Oliver Kirk, Lakewood-ave., will be host to a few friends at his home Friday evening.

Mrs. Wallace King has left for Sharon, Pa., to attend the wedding of her cousin Miss Doris Palmer to Ernest Jackson, Wakefield, Mass., which will be solemnized Thursday. Mrs. E. R. Curtin, sister of Mrs. King will be matron of honor.

Miss Margaret Williams, Lakewood-ave. left Thursday morning for Delaware where she will attend the State High School Basketball Tournament. During her visit in Delaware Miss Williams will be the guest of Misses Katherine Kahle, a student at the Ohio Wesleyan University.

## Two Good Fish Dishes

**Creamed Codfish**—Melt two tablespoons butter, add two tablespoons flour, a pinch of paprika and a little salt, and blend well. Add one and one-half cups milk and cook until smooth and creamy, stirring constantly. Season with a few drops of onion juice and a pinch of bay leaf if desired. (The bay leaf should be removed before serving.) Add two cups fish flakes, reheat and serve on buttered toast.

**Tuna Fish Croquette**—Melt three tablespoons butter, add three tablespoons flour, and blend well. Add one cup milk, one teaspoon salt and a dash of paprika and cook until smooth and thick, stirring constantly. Drain a pint can of tuna fish, add two teaspoons of lemon juice and one teaspoon salt. Add sauce to make a thick, easily-handled mixture. Shape into rounds, egg and crumbs again. Fry in deep fat and drain on unglazed paper. Garnish with parsley and French fried potatoes.

## Good-Bye "Coolie Garages"

Lima girls are to take their cars out for an airing the first time in two years.

The word has gone forth as Dame Fashion's order and by that indefinable something, called Style, all the young women will endeavor to abide. Hair nets too, will be passe. Reform in hair-dressing and economy is in order. Hair puffs will be relegated to the ash heap.

According to hair dressers, the locks will be prettily waved and drawn softly above the ears. The hair from the forehead will be slicked back into little knots.

The girls with the ear puffs will now be as much out of style as the one who recently parted her hair in the middle and let it go at that.

No more can the male species of the race apply the word "coolie garages" to fashions in coiffures or be little the style. For the unsightly creations which made the ace appear so heavy on the two sides and covered the "shell-like pearls" known as organs of hearing will now be abandoned for the simpler and prettier style. The change in style has already set in.

**Sauces and Piquancy**  
**BERNAISE Sauce**—One and one-half tablespoons finely chopped onion, two tablespoons vinegar, one-quarter teaspoon salt, one-eighth teaspoon paprika, three egg yolks, one tablespoon chopped parsley. Cook the onions in the vinegar. Place in double boiler and add the egg yolks and seasoning. Cook until the mixture becomes creamy.

**Chaper Sauce**—Two tablespoons

**Breads**  
**White Bread**—Take four medium potatoes, mash them; three tablespoons of lard, put in the hot potatoes; two tablespoons sugar in the hot potatoes, one-half cup cold water, one-half cup cold water, then all up good, adding the hot water; if not enough, take hot water till you have a half gallon crockful. Take one-half cup warm water, add one-half teaspoon sugar and one-half teaspoon salt. Break your compressed yeast cake in small pieces, or take one

and one-half cakes of dried yeast, when it is light (it takes just a little while) stir it in the lukewarm water. Have ready your bread tin with three big flour sifters full of sifted flour which is warmed. Take a saucer and make a hole in the flour; press it to side of bread tin, then stir your yeast mixture in till it is like cake mixture. Put away in a warm place over night.

In the morning, mix it in a stiff loaf with the flour that is in the tin; work it till it is like an elastic ball and will not stick to your fingers. Rub the top with lard and put away in warm place till real light.

Put a little flour on the board and shape dough into loaves. Rub a little lard on top and when it has raised over one-half size of the bulk, bake one hour in not too hot an oven the first fifteen. Rub the top with butter or lard.

This makes four big loaves.

**TASTY PASTRY.**  
**Tarts**—three cups flour, one-half cup butter, one-half cup lard, one-half teaspoon soda, white of one egg beaten stiff, one-half cup cold water, one teaspoon cream tartar.

Make a paste of the ingredients and roll one-eighth inch thick. Shape with a round cutter dipped in flour; with a smaller cutter remove centers from half the pieces, leaving rings

THE MATERIAL—"Mignonette", a rich-looking, lustrous, silk fabric resembling tricolette, but finer and more closely woven—the ideal fabric for the purpose to which it has been put.

THE STYLES—varied, but all fashioned on long lines. One model in navy has a graceful tunic reaching nearly to the bottom of the skirt, relieved at the waist-line by a narrow belt, and this tunic is embroidered around the bottom with a design in navy and grey, the same design being carried out at neck and sleeves.

Another model in black has a long coat effect with embroidery in black, white and gold. Others have trimmings of loops of picot-edged ribbon.

THE COLORS—navy, black and brown with grey, white and gold, or self-colored embroidery.

THE PRICE—when you ask how much they are, you will expect to hear at least \$50.00, but it is only—\$29.75.

(Intended as they are for large women only, the sizes run from 38 to 46).

## HER OWN CAREER

By PHYLLIS PHILLIPS

## RESTLESS FERN

"Gwenda," said Fern thoughtfully, after her first confidences, "do you think that it matters much now—days whether a girl marries—the man who loves her or not? Don't you think that the war, and conditions that have arisen as a result of the war, have helped to do away with the frightful prejudices concerning the relations between men and women? I think so myself."

"I'm not quite sure of just what you mean, Fern," answered Gwenda slowly, as she wrinkled up her brow in bewilderment. "I haven't really given the subject much thought up to now, for, as you know, I arrived here when men had not come into my life. And even now I don't seem to count anything at all as against my work. I haven't reached that stage of development yet, darling."

"Just wait until you do, my lady; there'll be trouble or I'm badly mistaken. You don't know what is in store for you, poor little girl," murmured Fern, tenderly. "I did not mean what real trouble was until I began to suffer with heart attacks. I had the operation is over, where I'm concerned, too. For it's something that the very young are totally unprepared for, this coping with men and their moods."

"I'm trying to concentrate on my work, entirely," just for that very reason Fern answered Gwenda. "I don't know myself and my mother see I know how passionately at least I love my own career, and I once transfused all that I bring to development to some man—just I can imagine just what would happen to me. You see, I, too, have given this question some consideration. But as to the world's changing in regard to the relationship between the sexes, that I am not up on at all. It seems to me that young people are still marrying and being given in marriage even as they were before the war. Maybe you are referring to the European countries, specifically?"

"No, no, I am not, I'm referring to simple human beings, the world over. The average human being has changed since the war, I know. Tight minds have loosened up, age-old prejudices have disappeared here and there, and in fact the whole of the human race is more kind and considerate. To be explicit, my dear, 'The Scarlet Letter' could not be written today."

"I see, I see," said Gwenda. "Yes, I think you are right about that, Fern, but I do think that a man who loves a girl, and really loves her and respects her, even now-adays, will still want to make her his wife." (To Be Continued)

## TORN TO PIECES BY WOLVES

War Veteran Victim of Tragedy in Frozen North.

DURANGO, Col.—Another victim has been claimed by the savage wolves of the frozen North. According to word received here this week, a veteran of the World War, was torn limb from limb while on a trip over the Alaskan coast, between Haines and Fairbanks, Alaska.

The mystery surrounding the long disappearance of the young was cleared up when it was learned that a letter bearing his name and written by his fiancée, Mrs. Mary Maese, of San Elizario, Tex., and a watch and chain found near the bones of a man and several dogs on the Dawson trail, between Fairbanks and Fairbanks, have identified Parr, a former resident of Durango.

News of the discovery of these evidences of a Northern tragedy was contained in a letter from Haines, Alaska.

Two Indians who arrived in Haines late in January reported finding the remains of a man, a dog, a team harness and the remains of a man's clothing, on the trail about 50 miles from Fairbanks. Parr left Haines with a companion on November 23, 1920, for Fairbanks. Friends advised them strongly against making the trip because of the 40-below zero weather and the fact that they were poorly equipped and had scant supplies for

the 780-mile journey over snow and ice. No trace of Parr's companion has been found.

Parr served in the Twentieth Company, Twentieth Engineer Regiment in France, and had seen service on the Mexican border.

## GREAT BRITAIN'S EXPORTS INCREASED LAST YEAR

LONDON.—Great Britain exported goods to the United States last year to the value of over \$574,000,000, as compared with \$557,000,000 for 1919.

This according to the American Chamber of Commerce in London, was entirely due to the trade boom in the early months of last year, the latter months of 1920 showing a continuous and striking decrease.

## HYPNOTIZES STUDENT, CAN'T WAKE HIM UP

BUENOS AIRES, Ohio.—Harold Stebbins, high school pupil, was much interested in an exhibition given here by a traveling hypnotist. He made friends with the "professor" and had quite a conversation with him on the subject.

At the high school Stebbins tried out some of the information given him by the professor on Luther Winemiller, another pupil, causing Winemiller to become hypnotized and started him to slanging the teachers of the school and creating a disturbance, which was difficult to quiet.

When the attempt was made to relieve Winemiller from the hypnotic influence it was found that Stebbins had forgotten that part of his instructions. It was some time before the influence was relieved and Winemiller could regain normalcy.

BUSINESS SOON NORMAL, CAMBRIDGE, Mass.—Business conditions will be normal by April or May unless exports fall off, according to Professor Charles J. Bullock, of Harvard.

He said the war saved the United States from a period of depression in 1914.

# WHY WE ARE INTRODUCING PEPGEN TO PEOPLE WHO LIVE HERE IN LIMA

An Open Statement to the public Made by C. M. Hunter, Proprietor of Hunter's Drug Stores. Tells How Pepgen Came to His Attention and Result of Thorough Investigation.

Mr. Chas. M. Hunter is proprietor of two of the leading drug stores in Lima. In a personal statement made for publication, Mr. Hunter, after describing the investigation that was made by his concern and the results thereof, gives most emphatic endorsement to Pepgen, a new remedy that has attracted widespread attention.

Pepgen is manufactured by The American Drug Company, of Dayton, Ohio. How it has come to be introduced in Lima is told with remarkable clearness, emphasized by striking forcefulness in Mr. Hunter's statement. The statement follows:

"Several months ago my attention was attracted to a series of remarkable testimonials published in Columbus and Springfield newspapers, relating to a new remedy, Pepgen. These statements continued to appear, and were of such a character that I decided that if they were true, I ought to have that remedy in my stores to offer to Lima people. 'I ordered a quantity of Pepgen. I have had Lima people try it. I

have had them tell their experiences with it. 'As a consequence, I endorse this medicine, Pepgen, with all the assurance and confidence by a thorough investigation.

"I have sold many remedies and can truthfully state that I think we have found a remedy that gives universal satisfaction, and I am safe in saying that it is a splendid tonic for the stomach, kidneys, liver and nerves.

Pepgen is composed of a number of different kinds of roots and barks, which are well known for their tonic appetizing and laxative effects. It is a non-secret medicine and every customer who has bought a bottle is well satisfied.

"Any person who asks about Pepgen at our stores will be given a full explanation." (Signed) Hunter's Drug Stores, Charles M. Hunter.

## JACKSON STREET WOMAN ENJOYS ALL HER MEALS

Nervous Dyspeptics May Now Eat Heartily; No Indigestion Afterwards.

"Yes, I now have a good appetite and can eat whatever I desire without having indigestion afterwards," says Minnie Little, 115 S. Jackson-st., Lima.

"Before I took Pepgen I was a very light eater and even with what little I ate disagreed with me.

"I was in a general run down condition. My stomach, liver and kidneys were affected. This state of health made me very nervous and I was restless at night. I often had terrible headaches. My complexion was sallow and my blood circulation poor. Also I was often so dizzy that I could not get out of a chair for fear of falling.

"I have taken Pepgen for about four weeks during which time I have developed a good appetite. I have gained six pounds in weight. I sleep soundly and I have not had one dizzy spell since the first week I took Pepgen.

"After having such a splendid experience I feel I would be neglecting my duty if I didn't recommend Pepgen."

"Men and women who have thought they were run-down forever have wound themselves up and are running along smoothly. They took

## HOW THEY MADE GAINS IS TERSELY RELATED BY MANY LIMA RESIDENTS

Mrs. Emma Stonestreet, 415 N. Jackson-st., Lima, says: "I was subject to attacks of acute indigestion and hardly anything I ate agreed with me. I have taken Pepgen for a short time and it certainly has helped me."

Mrs. John Miller, 809 N. Union-st., Lima, says: "I had indigestion off and on for years. My appetite was very poor. I had spells of dizziness. Since taking Pepgen I haven't had a pain in my stomach, my appetite is keen and I am well pleased with the results of the medicine."

Mrs. May Mowrey, 113 E. Pearl-st., Lima, says: "I think Pepgen is a splendid medicine and do not hesitate to recommend it. It relieved stomach trouble and liver complaint with which I suffered for two years. I have a better appetite and my food digests much better."

Mrs. Jennie Decker, 807 N. Jackson-st., Lima, says: "I have been troubled with indigestion nearly all my life. Since taking Pepgen I do not have any trouble with my stomach. Pepgen also relieved my eleven-year-old son of cramps in the stomach."

J. C. Smith, 227 N. Jackson-st., Lima, says: "Pepgen regulated my bowels quickly and relieved me

of indigestion. I am satisfied it is a good medicine and that it will benefit other people who have stomach trouble. I am glad to recommend the medicine."

Mrs. D. A. Conley, 905 W. Wayne-st., Lima, says: "I had liver trouble for a good many years. Then I had an attack of flu which left me in a run-down condition. It is no exaggeration to say that since taking Pepgen I feel like a new woman. My appetite is better, my bowels are regular and I sleep fine."

Mrs. Herbert Rush, 136 Harrison-ave., Lima, says: "Since taking Pepgen, I will say that I have not had any trouble with indigestion and I have a better appetite and feel decidedly stronger. I am glad to recommend Pepgen. It has proved very beneficial in my case."

Mrs. J. P. McKinley, 773 Bellefontaine-ave., Lima, says: "For many years I suffered with stomach trouble. I had severe attacks of indigestion. I was very nervous. Since taking Pepgen I am much better. I am not nearly as nervous as I was. My appetite has improved and I am stronger."

Mrs. E. A. Wilson, 426 N. Washington-st., Lima, says: "My daughter, Rachel, was in a run-down condition. She had kidney trouble. Pepgen relieved her of her trouble and she is gaining every day. Anyone can see the improvement in her. We give all credit to Pepgen."

# Well Known Columbus Nurse Tells What Pepgen Daily Accomplishes For The Ailing In Capital City

Mrs. Harriet Collins Relates Personal Experience With New Compound Said to Produce Wonderful Results.

"I know of scores of cases of stomach trouble, nervousness, constipation and other ills in Columbus that have been relieved by Pepgen when other medicines have entirely failed to produce the slightest results," says Mrs. Harriet Collins, well-known Columbus nurse who resides at 1172 E. Rich-st. that city.

Mrs. Collins is well qualified to speak in this connection. She has been a practical nurse for the past seven years and has nursed in many of the capital city's most prominent and influential families. She has a wide circle of friends in Lima who will be justly pleased to read about her experience with Pepgen and no doubt many of them will be relieved of long-standing illnesses by following her advice.

Mrs. Collins is a member of Crown Chapter, Eastern Stars, the J. C. McCoy Relief Corps and Hamilton Lodge. In relating her experience with Pepgen, she says:

"When the epidemic of influenza was at its height and I was very busy nursing patients and I finally contracted the disease myself. I was a very sick woman and there were times when I didn't know whether or not I would ever get well.

"However, the fever left my body after the disease had run its course and I recovered to a point where I was able to leave my bed. But I was weak, yes, very weak, and as time went on I didn't gain strength. I was so weak that I did not dare trust myself on the street alone.

"Besides my weakness, every particle of food I ate soured in my stomach, causing gas and bloating. I lost weight until I looked like a mere shadow of my former self.

"When night came I would roll and toss in bed because I could not sleep, arising in the morning feeling more tired than when I went to bed if such a thing is possible.

"One day I stopped at a drug store to purchase some medicine. The druggist said to me, 'Mrs. Collins, why don't you try Pepgen. We are selling a large quantity of it and

Mrs. Harriet Collins.

from the reports we are receiving it must be a very powerful tonic. Everybody speaks good about it."

"I said to the druggist, 'I don't know anything about Pepgen and I haven't got much faith in it.'"

"Well," he said to me, "all I can tell you about Pepgen is that it is a preparation made from a vast number of different kinds of roots and barks, some of which I understand are very rare and hard to secure."

"I decided to try Pepgen and I told the druggist at the time that it didn't help me. I guessed it wouldn't do me any harm and I was willing to try almost anything to regain my strength."

"When I had finished that bottle of Pepgen I felt much better. So much better that I procured another bottle and as I continued to take the medicine I continued to improve up to the point where I felt like a new woman. I must be a very powerful tonic. Everybody speaks good about it."

"I am now so strong and well that I am able to be in attendance at a long case and I do not feel unusually tired when I am dismissed."

"One more thing about Pepgen. When I was sixteen I had typhoid fever, since which time I have had much trouble with constipation. After taking Pepgen that annoyance seems to have disappeared."

Pepgen may be obtained at any drug store anywhere. During the past few weeks many thousands of bottles have been sold in Lima, Wapakoneia, Delphos, Ottawa, Cridersville, Spencerville, Lake View Van Wert and other points.

Pepgen is highly recommended by Chas. M. Hunter.

## CHICAGO FANS CHEER AS CUBS LEAVE ON SPRING TRIP

CHICAGO.—Chicago's baseball fans felt the first breath of spring yesterday when several hundred of them gathered at the Dearborn street station to get a glimpse of Johnny Evers and a squad of his pitchers and catchers who departed for California to prepare for the coming pennant race.

Considering the fact that the departure was made in the busy part of the day, it was quite remarkable that such a throng should gather. It made one think of old times and gave assurance that the fans are enthusiastic over the prospects of Evers and the north siders this spring.

In the average crowd were fan-club members and those who will reach the temporary camp on Catalina island Sunday afternoon. Money for the trip had been collected by the fans and the team. The fans are on the coast, Evers and his pitchers and catchers are on the coast, Evers and his pitchers and catchers are on the coast, Evers and his pitchers and catchers are on the coast.

Drill on Mr. Weller's island will be held for one week, after which the squad will move to the regular camp at Pasadena on the 11th. Evers will have a good look at each one before any are turned loose.

**TWO JOIN SQUAD TONIGHT.** President Veeck of the north siders was at the station to give his manager and men a farewell hand shake. Secretary Johnny Seay was there with a roll of prebooks and supplied each with a copy. Evers and his pitchers and catchers are on the coast, Evers and his pitchers and catchers are on the coast, Evers and his pitchers and catchers are on the coast.

Eleven pitchers and three catchers besides Manager Evers, Max Evers, and their young son, a squad of war heroes. Training camp will be held at Pasadena, where Evers and his pitchers and catchers are on the coast, Evers and his pitchers and catchers are on the coast, Evers and his pitchers and catchers are on the coast.

**FANS SURROUND EVERS.** The others in the party were Pitchers George Taylor, Percy Jones, James E. York, James A. Coffey, Earl S. Hanson, James D. Kenney, Alex V. Pfenninger, Harry A. Weaver, and Abe Lincoln Bailey. The catchers were Tom Daly, Bob O'Farrell, and Frank B. Meyers.

Manager Evers was surrounded by a crowd of admirers in the station lobby as he made his way to the train and a blue-coated policeman had to help him out of the jam so he wouldn't miss the train.

**EARLY WORK FOR REBELS.** While the training at Catalina island will consist largely of road work over the hills and mountains, there will be a session in baseball uniforms on a regular diamond each day. Evers wants to get the squad of young pitchers in shape a bit in advance of the rest of the players so that some genuine batting practice may be had right from the start when operations begin at Pasadena.

Also there are games booked in a couple of weeks against Pacific Coast league teams and if the Cubs hope to win they must have some hurlers on hand who are prepared to put some stuff on the ball.

President Veeck departed for New York about immediately after the crowd left for the coast. The north siders boss stated he was riding on a business trip and expected to be back the first of next week.

**BALL PLAYERS MAY WEAR SKULL CAPS.** PHILADELPHIA.—Manager Mack of the Philadelphia Athletics is considering the use of skull caps by his players to protect them from pitched balls. It was announced today in a dispatch from the spring training camp at Lake Charles, La., that the cap, sort of helmet, made of several layers of cloth and lined with felt, has been tried on by several of the players and it was stated Mack was seriously considering its adoption.

**COBURN HIGH IN SHOOT.** MARYSVILLE.—The shoot Thursday given by the Richmond Gun Club on the latter's grounds for the benefit of the European Relief Fund netted \$250. Among the noted trans-shooters were Clarence W. W. Coburn, of Mechanicsville, W. W. Kirtman, of Denver, and J. H. Webster, of Columbus. Clarence Coburn was high gun, only missing three birds in the entire performance.

**LID ON IN DENVER.** DENVER, Colo.—Philip Van Cuse, newly elected District Attorney of Denver, clamped the lid on professional boxing today when he announced he would arrest boxers engaged in a bout in Denver for pay. The District Attorney declared the state law prohibited prize fighting and he interpreted the law to bar all bouts where any principal received pay for participating in a ring contest. Boxing has flourished in Denver for several years.

**BOXING BILL PASSES.** DES MOINES, Iowa.—A bill to legalize boxing and place it under control of a State Commission was passed by the House of the Iowa Legislature Thursday.

## WHO'S WHO IN BIG TEN IS PUZZLE

Instead of clearing as a result of the games in the early part of the week the Big Ten conference basketball race is more complicated, and the spectators trying to figure which team will be champion. Two weeks hence is a calendar, a week-end, and a side rule to arrive at any possible forecast of the outcome of the race.

On Monday night, Illinois, remaining idle, jumped into first place, due to the defeat of Indiana, only to celebrate Washington's birthday the following night by losing to Purdue and falling back into a tie with Indiana. These two teams are only half a week ahead of Purdue.

Of the three teams left to fight it, Indiana has the best chance of going through to the championship with three games to play, and all are on the home floor at Bloomington. None is a sure thing, but Indiana should be the favorite by a slim margin.

On Saturday Coach Lewis' team plays down, the quintet which defeated the Hoosiers Monday night. On their own floor Indiana should reverse the result. On March 2 Purdue goes to Bloomington and a hot battle is certain. Purdue won in January at Lafayette, but the home floor advantage is likely to be just enough to give Indiana a margin.

The Hoosiers wind up the season with Minnesota on March 7. Indiana won by one point at Minneapolis, and if Lewis' men can stop Ott and Aven, the star center forwards, the Crimson can win again.

**ILLINOIS MUST FACE WOLVERINES.** Even should Indiana win its three games Illinois can capture the title for the Illinois play a twelve game schedule, while the Hoosiers play only eleven, a percentage advantage for Coach Winter's five. Illinois has a tough game at Ann Arbor Saturday, and an easy triumph at Ohio Monday.

Next Saturday the Illinois play against the shipping Maroons at Chicago and end the season with Michigan at Urbana March 7. All Illinois has to do to win is win as does Indiana, but with three out of four games away from home this is no easy matter.

Purdue, also playing eleven games cannot win unless the five goes through without a defeat and it two rivals run into snags. The Badger makes a play at Northwestern Saturday at Michigan Feb. 28, and at Indiana March 3. With three games away from home, the chances of the Boilermakers for the title are more mathematical than probable.

**SOME HI SPOTS IN SPORT.** YACHTING organization, such as the Royal Yacht Squadron, will be invited to take the time of the yacht race in the harbor at Ostend. That would afford opportunity of comparing the winner's time with that of the ocean race in 1905 and covered the course from Antwerp to the Lizard in 12 days, 4 hours and three minutes.

**KIWANIS BEATS ROTARY TEAM.** The Kiwanis volleyball team defeated the Rotary team last night at the Y. M. C. A. by the one-sided score of 40 to 29. It was their first game of a series of three that will be played each Thursday night for two consecutive weeks to decide the championship of the city.

The line-up of the teams follows: ROTARY: (Capt.)... Danpus (Capt.)... Harris... Melbridge... Sheak... Bradshaw... Thomas... Lincoln... K... Maxwell... Gamble... K... Green.

**HUSTON REPORTED ILL.** NEW YORK.—A report reached New York last night that Colonel Til Huston, part owner of the New York Americans, is seriously ill at Dover Hall, Ga. Friends of the baseball magnate say that he will soon be taken to New York to undergo a serious operation.

**DEMPSEY WRESTLES.** SALT LAKE CITY, Utah.—Jack Dempsey recalled by word trustees Thursday when the Toronto club of the International League, of Montreal, where the champion was born. Ira Dorn, a middleweight wrestler, also boxed with Dempsey, and later wrestled with the champion.

## MOORE TO MEET CLEVELANDER

CLEVELAND.—Pal Moore, Memphis, Tenn., featherweight, and Carl Tremaine, Cleveland, will clash in the main ten-round bout of a boxing show here tonight.

Henry Kerstein, Cleveland lightweight, will meet Willie Ames, Akron, in the ten-round semi-final and Battling Johnny Karr, Cleveland welterweight and Johnny Strike, Akron, are booked for another ten-round fight.

**Baseball Briefs.** PITTSBURG.—Hans Wagner can still draw the crowds. Five hundred were out last night for a banquet in his honor. Sport celebrities from all sections of the state and country acclaimed the former Pirate shortstop.

NEW YORK.—Ten rookies try to get places on the New York Yankees team, left here today for Shreveport, La., to open training activities.

LAKE CHARLES, La.—Pitchers Perry, Ray, Bigbee and Moore donned athletic uniforms today and took their first workout. Manager Connie Mack announced he will keep eight of the 13 hurlers he is working.

SALEM, Ore.—Bribing or attempting to bribe or influence any player, umpire, manager or director of any baseball club is made a crime by a bill passed by the State Legislature and signed today by Governor Ben W. Olcott.

CHICAGO.—The Chicago Cubs started their migration to their summer training camp at Catalina Island, Cal., the first contingent including the team's recruit pitchers, only one of the vanguard can be classed as a veteran of the team. He is George Tyler. The other hurlers are James E. York, purchased from the Chattanooga team; James A. Coffey, Alex V. Pfenninger, Earl S. Hanson, Harry Weaver, James D. Kenney, Joe Jaeger and Percy Lee Jones. The Cubs' infielders and outfielders will follow next week.

PHILADELPHIA.—Connie Mack, manager of the Philadelphia American League Baseball Club, in a dispatch from the spring training quarters at Lake Charles, La., today, announced that he would retain at least eight of the thirteen pitchers he has with him in the South. Five of the least promising, he said, would be dropped when the team returns home. Pitchers Perry, Ray, Bigbee and Moore arrived at the camp yesterday, completing the battery staff.

WHEELING, W. Va.—Benny Kauff, of the New York Yankees, will confer here today with A. F. Stephens, business manager of the Giants, on the question of the salary to be paid the player this season.

PITTSBURG.—George Whitted, in a letter to a friend here, said he had signed his contract to play with the Pirates this season. Whitted said the Pittsburgh team looked like a winner to him.

DETROIT.—"Paddy" Livingston has been signed by President Navin, of the Tigers, as assistant to Dan Howley, coach of pitchers. Livingston trained Boston Red Sox pitchers last season.

NEW YORK.—The New York Nationals will play the Princeton University team here April 11. This game was arranged in place of the customary Yale-Giants preseason meeting. The Yale nine because of its Southern trip was unable to make the date.

ST. LOUIS.—Manager Branch Rickey, of the St. Louis Nationals, leaves tonight for Orange, Texas, where several of the Cardinals are already in training. Rickey will be accompanied by Walter Schulz, a pitcher. The rest of the team leaves Saturday and when the entire aggregation assembles for practice Tuesday about 50 men are expected to be in uniform. The Brown battery men are encountering good weather, according to dispatches from the training center at Dodge, La., and with ample material on hand Manager Fohl is dividing his squad into two teams and staging games that only end when exhaustion claims the contestants.

## GOMER IS FOURTH ALLEN-C TEAM IN STATE TOURNEY

By BILL CUNNINGHAM. (Lima News Staff Correspondent.) DELAWARE.—Central Hi of Lima, will play a team generally considered the best high school basketball quintet state at their opening game of the state high school basketball tournament here this afternoon at 4 o'clock when they meet East Tech squad of Cleveland.

South Hi opens with Shaw Hi, also of Cleveland, at 6 o'clock. Not much is known of this team and fans here believe that the Lima clan will win.

**SPENCERVILLE PLAYS SCIO TODAY AT 11:30 O'CLOCK.** Spencerville plays Scio at 11:30 o'clock. These two appear to be evenly matched and it is difficult to predict the outcome of their opening game of the state tournament.

Gomer entered the state meet at the last minute and team on the grounds here that looks good. It is the fourth team in the tournament. Their first game will be played at 6 o'clock this afternoon when they meet Mt. Vernon.

Should Central trounce East Tech, they will next have to play the winner of the Ada-Cleveland Euclid game. Both of teams are strong, and Central will have to do some tall playing if they remain in the tourney thru these two games.

**BOXING FANS EAGER FOR DECISION.** (By HENRY L. FARRELL.) NEW YORK.—There was a loud demand today that Johnny Dundee and Willie Jackson reach a decision in their bout tonight.

Teaming it is near-approach to hippodroming. This pair of fist rushers is meeting for the 11th time, approaching the records of Britton and Lewis, Langford and McVey and even.

**ALWAYS LOTS OF ACTION.** Willie and the jumping Italian, always provide lots of action, and they always get lots of action—at the box office. The question with the fans is whether all that feverish activity is not wasted. The thrill of sport isn't as much in the action as in determining which of a pair is the better man.

Willie and Johnny are meeting probably for the last time. Willie has shown he is gaining on the veteran and the fans will decide that they have seen enough of the serial and walk out.

The two are on for 15 rounds tonight. In weight they are evenly matched. Willie has the longer reach; Johnny the better pair of dancing legs. The fans thus far have shown the greatest endurance.

MUTT AND JEFF—AS A HUNTER JEFF ISN'T IN DAN BOONE'S CLASS—

SHORT SHAVINGS

"I know I'm old, but I'm crazy about you," stated Mr. Mutt. "When I go, I'll leave all my fortune to you if you'll have me."

"Take you any more time," asked Miss Goldilocks, thoughtfully. "Only that I walk in my sleep. If you could call that a bad habit."

"You dear old thing. Of course I'll marry you. And we'll have our honeymoon on the top floor of some tall hotel, won't we?"

"See here," said the manager of an automobile sales agency. "What did you mean by wasting your time showing that rough-looking fellow a \$6,000 car? A fiver would be about his size."

"I thought so, too, at first," replied the smart salesman. "But I noticed a great deal of grime under his fingernails and in his eyebrows and hair. I immediately sized him up as a wage-earner and not a salary man."

"Well?"

"He bought the car."

"Cancel my order at once," came the telegram to the factory. The owner perpetrated the only new joke in the millennium. His telegram in reply read: "Your order cannot be cancelled at once. You must take your turn."

Mr. Casey (to hospital attendant):—Plum did yez say the docther's name was?

Attendant—Dr. Kilpatrick.

Mr. Casey—That settles it. No docther wld that cognomou will get a chance to operate on me, not if I know it.

Attendant—Why not?

Mr. Casey—Well, yez see, my name is Patrick.
